EXECUTIVE DIRECTOR NOTE TRACI TRIBLEY

There's a shift in the air. The days are getting longer, the sun feels a little warmer, and before we know it, summer will be here. That means one thing. We are getting ready to welcome another incredible season at Lions Bear Lake Camp. Right now, everything is in motion. Cabins need freshening up, trails need clearing, and activity areas need a little extra care. That is why we are inviting you to join us on May 10th for our Work Bee. It is a day where friends, families, and volunteers come together to help bring camp back to life. There is something special about rolling up your sleeves and working alongside people who share the same love for this place. Every project, big or small, helps create the magic that our campers will experience all summer long. At the same time, we are getting ready to build our summer staff team. In the coming weeks, we will be sitting down with potential staff members. People who have the heart, passion, and energy to make a difference. The right team is everything. These are the people who will cheer campers on as they climb the tower, paddle alongside them on the lake, and encourage them to push past their fears. They are the ones who will turn simple moments into memories that last forever. If you know someone who would be a great fit, send them our way. Summer is coming fast, and with it, the chance to change lives, build friendships, and create something unforgettable. Whether you are helping get camp ready, joining us for another season, or just cheering us on from afar, you are part of this. We cannot wait to see what this summer brings. Let's make it one to remember.

CAMP UPDATES: WHAT'S NEW AT BEAR LAKE CAMP

Stay up to date with everything happening at Lions Bear Lake Camp in Camp Updates! From exciting developments and upcoming events to the latest news from around the camp, this section will keep you informed on all the ways we're growing and evolving to serve our campers and community.

Sharing Our Mission

Lions from the Adrian Breakfast, Clinton, and Manchester Lions Clubs came together in March for a Zone meeting, sharing ideas and strengthening their commitment to service. Among those in attendance was Kenneth Gillotte, Challenge Course and Marketing Director at Lions Bear Lake Camp, who spoke about the camp's mission and impact. He highlighted how the camp provides life-changing experiences for youth and individuals with disabilities, offering opportunities for growth, confidence, and adventure. His passion for the camp's work resonated with everyone in the room, reminding Lions why we serve. Meetings like these are a powerful reminder that when Lions come together, great things happen. Thank you, Kenneth, for sharing the incredible work happening at Bear Lake Camp.

Retreat Season in Full Swing

Camp has been buzzing with activity as quilting and crafting groups settle in for weekends filled with creativity and connection. The cabins and dining hall have been alive with the hum of sewing machines, laughter, and the joy of creating something by hand. At the same time, many of our summer groups have been using camp as a space for staff training, preparing their teams for the work ahead. It has been incredible to see groups come together, whether they are learning new skills, building stronger bonds, or simply finding inspiration in the peaceful setting. Retreat season brings a different kind of energy to camp, one that reminds us how special this place is year-round. We are loving every moment and can't wait to see what the rest of the season holds.

LBLC SPOTLIGHTS: CELEBRATING OUR CAMP COMMUNITY

In LBLC Spotlights, we shine a light on the dedicated individuals and partnerships that help make Lions Bear Lake Camp extraordinary. Each month, we'll highlight a staff member, a board of directors member, and one of our valued camp partners. These are the people and collaborations that drive our mission forward, ensuring that every camper experiences the magic of Bear Lake Camp.

Leo Schaefer Board Member

When you think of someone who truly gives their all, PDG Leo Schaefer comes to mind. His dedication to serving others is evident in everything he does, and his impact can be felt across the Lions community. Leo became a Lion in 1998 with the New Baltimore Lions Club before joining the Armada Lions Club in 2005, where he remains an active and dedicated member. His leadership and passion for service led him to serve as District Governor for 11 A-2 in 2020-2021. He continues to play a vital role in multiple Lions projects, always stepping up when help is needed. His commitment to Lions Bear Lake Camp is unmatched. As a board member, he works tirelessly to support its mission. He chairs the annual Bear Lake Camp Golf Outing Fundraiser, ensuring resources are available for the camp to thrive. He is also a key member of both the Fundraising Committee and the Grounds and Maintenance Committee, making sure the camp is well-supported in every way possible. Leo's dedication to service doesn't stop there. He is a trustee with the Lions of Michigan Service Foundation, a board member of Project Kidsight of 11 A-2, and the chairman of the district's eyeglass and hearing aid collection program. Through these roles, he helps provide life-changing support to those in need, ensuring access to vision and hearing care. At home in Macomb Township, Michigan, Leo and his wife, Sharon, have been married for 46 years. His kindness, leadership, and willingness to go the extra mile make him an inspiration to those around him. The work he does speaks volumes about his character. He never seeks recognition, but the difference he makes is impossible to overlook. Lions Bear Lake Camp is grateful for all he does, and we are proud to have him as part of our team.

Cash Gertizer Kitchen

Behind every great meal at Lions Bear Lake Camp is a hardworking team making it all happen. One of the key players in that effort is Cash, a dishwasher who has become an essential part of our food service crew. Cash doesn't just keep the dishroom running. He takes pride in it. His work ethic and attention to detail keep everything flowing, making sure the kitchen team can focus on preparing meals for campers and staff. But his impact goes far beyond that. Wanting to expand his skills, Cash took the initiative to complete his ServSafe Food Handler training and earned his certification. That kind of dedication says everything about who he is and how much he cares about his role. He isn't just here to do a job. He's here to do it well. On top of all that, he also trains every new dishwasher who joins our team. He makes sure they know the ropes, understand the expectations, and feel confident in their work. Because of him, the dishroom crew runs like a team that knows exactly what they're doing. Cash goes the extra mile in everything he does, and that kind of drive is rare. He reminds us that no role is too small to make a big impact. His dedication, leadership, and willingness to lift others up are proof that greatness isn't about a title. It's about how you show up, how you lead by example, and how you inspire the people around you. We're lucky to have Cash on our team, and we can't wait to see what he does next. If his journey so far is any sign of what's ahead, we know he's going to do incredible things.

Camp Quality Partnership

Camp Quality USA, Michigan provides summer camp and family weekend experiences for children with cancer and their families. We run summer camps and family events throughout the year. Camp Quality is proud to have a long and productive partnership with Lions Bear Lake Camp. The camp not only provides a high level of program with a variety of activities for the campers to select, but has a completely adapted program and facility that allows our most vulnerable children and those with significant special needs and considerations to be able to participate in every aspect of the programs. It is truly a gem for us in every way. In fact, Camp Quality uses Lions Bear Lake Camp exclusively for our annual planning session, springboarding us into the programs for the coming year taking place all over the State. Most importantly, Traci, Jesse and the entire team make camp seem like home for our campers and volunteers. Whether it's snacks for our dance, ensuring all the campers go on the climbing tower and zip line or enjoy the lake, the Lions Bear Lake staff have made us their first priority. They've even seen us through thunderstorms and area power outages! Thanks to Lions Bear Lake, and all the Lions clubs around Michigan who support their mission and ours!

-Dave Meizels Executive Director, Camp Quality USA Area 1

CAMPFIRE CHATS: STORIES THAT WARM THE HEART

Welcome to Campfire Chats, where we share the inspiring stories and unforgettable memories from our past campers. Each month, we'll also spotlight our Camp Champion, someone who embodies the spirit of Lions Bear Lake Camp. These are the moments and people that make our camp so special—stories that continue to spark joy long after the campfire's last ember.

Sawyer Croll- Past Camper/Counselor

My name is Sawyer Croll, and I am legally blind. Lions Bear Lake Camp holds a special place in my heart, as well as in the hearts of many others. It creates unforgettable memories and fosters lifelong friendships with people who truly understand my experiences. I have been attending this camp for 12 years, and it has consistently been the highlight of my summer every year. It exceeds my expectations, leaving me with memories I cherish. Even now, at 19 years old, I eagerly count down the days until I can return.

As a first-time camper, I was amazed to discover that there were others who shared my struggles and experiences. Before attending, I had never met anyone else with a visual impairment. When I learned that many of the staff members had been campers themselves, I knew I wanted to follow in their footsteps. It inspired me to eventually become a part of the team. Now, as a staff member, I still experience the same joy I did as a camper, while also gaining valuable work experience.

I will forever be grateful to the Lions Club for creating such an amazing program. It has been a safe space for so many, and it has truly changed my life. - *Sawyer Croll*

Gregg Bennett - Camp Champion

Behind the scenes of every event, fundraiser, and outreach effort at Lions Bear Lake Camp, there is one person who helps bring it all to life in print. That person is Gregg from American Speedy Print of Owosso. For the past three years, Gregg has been our go-to for everything from flyers and brochures to banners and last-minute prints. No matter what we need or how quickly we need it, he always finds a way to make it happen. His dedication and attention to detail have helped us share our mission with the world in ways that truly stand out. It is not just about the printing. It is the way he does it—with patience, professionalism, and a genuine commitment to helping us succeed. Even when we come to him with tight deadlines, unexpected requests, or last-minute changes, he delivers without hesitation and always with a smile.

Gregg is more than a printing partner. He is part of the Bear Lake Camp family. His work helps us tell our story, reach more people, and make a lasting impact. We are grateful for everything he does and look forward to many more years of working together.

BEYOND CAMP: SPOTLIGHT ON EXCELLENCE

This special feature highlights the incredible journey of a former camper who is making waves beyond camp. We are proud to celebrate her achievements as she represents the Deaf community on an international level, proving that determination, passion, and hard work can turn dreams into reality.

My name is Ava Pruden. I am 16 years old. I was two months old when my family found out about my hearing loss in both of my ears. At just three months old, I was fitted for hearing aids and have worn hearing aids ever since. Living with hearing loss and wearing hearing aids has always been part of my life and who I am. To me, I was just like any other kid. I never saw myself as different from a kid with normal hearing. I went to a Deaf & Hard of Hearing preschool and kindergarten and have made lifelong friends. I mainstreamed to my elementary school and made friends and did everything else a little kid would do. I was so happy and enjoying my life to the fullest. When my twin brother and I (who is also hearing impaired) were 2 years old, my parents took me and my brother to family camp at Bear Lake Camp in Lapeer. It was always so much fun! When we were in kindergarten we stayed the whole week by ourselves and for the first time in my life, I felt so at home because I was around kids that were just like me from all over Michigan. I've gone to camp every year since and I'm now in the leadership development program. My brother is going to be a camp counselor at Bear Lake this summer and he's so excited. The Lions club has helped me so much throughout my life and I'm so thankful for all my time at Bear Lake. I have lifelong friends and wonderful memories that will be with me forever. At the age of 5, my mom signed me up for a summer swim team at Beachwood Swim club. I was the only swimmer who had hearing loss on the entire team besides my twin brother. On the first day of practice, I was nervous but also excited at the same time. Swim team was something that I had never done before. I found it challenging and super hard to hear my coaches and understand what they were telling us to do. I persisted and didn't give up by speaking up and advocating if I could not hear. When I was in 6th grade, I started swimming for Atlantis Swim Club in the winter and spring along with the summer team. I had begun to improve a lot and wanted to get faster. Fast forward to 9th grade, I began high school swimming at Seaholm High School in Birmingham Michigan. High School swimming was nothing like anything I had ever done before. My High School Swim Coach chooses the best swimmers to swim in the morning before school. I advocated and pushed myself to be a member of the morning swim crew. I swim before school and after school during swim season in high school. The rigorous training 6 days a week allowed me to push myself and take my swimming to a new level. I applied to be a member of USA Deaf Swimming and found out recently that I made the USA Deaf Olympic team and would have a chance to swim in Tokyo against other Deaf/Hard of Hearing Athletes from around the world this November 2025. This is an amazing opportunity to me because I would go from being one of the only Deaf/Hard of Hearing swimmer on my teams to swimming with people who are just like me. The Deaf Olympics are a way for me to unite with swimmers from all over the United States & World! It gives me a sense of comfort knowing I am not the only swimmer who is has hearing loss. My desire & dream to become a member of Team USA has become a reality! Being the only hard of hearing swimmer on my swim teams has made me strive to overcome adversity as it is difficult not being able to hear my coaches & teammates since I can't wear my hearing aids in the water. Overtime, I found ways to figure it out, which is always advocating for myself, persevering, being resilient and never giving up. I am so honored and proud to be a member of the the United States Deaf Olympic SwimTeam this November in Tokyo, Japan. I appreciate your support. I am extremely thankful to my Family, Coaches & Friends for always being there to encourage & support me. Your support will enable to me and my twin brother Joseph (who also is hearing impaired & wears hearing aids) and my Mom to experience this amazing opportunity.

Much thanks, Ava.

GO TEAM USA!

BEYOND THE HEIGHTS: A LOOK INSIDE THE CHALLENGE COURSE

Step into the world of adventure with our Marketing and Challenge Course Director, Kenneth C. Gillotte (Mr. G). This special section dives into the heart of our challenge course, where campers and staff alike push their limits, build confidence, and experience the magic of outdoor adventure. From maintaining top safety standards to ensuring every camper—regardless of ability—has the opportunity to climb, zip, and grow, discover how our facilitators create life-changing moments that last far beyond camp.

Hola everybody! My name is Kenneth C. Gillotte (a.k.a. Mr. G). I am the Marketing and Challenge Course Director here at Lions Bear Lake Camp. A big part of my functions at camp is to manage the team of challenge course facilitators (a.k.a. Bear Lake G's), while maintaining safety and standard requirements of our outdoor education program. I am excited about this privilege to write an article in our wonderful newsletter and share some business-related items in preparation for the 2025 camp season. Camp is much more than a job; to many it's a calling that becomes an all-encompassing lifestyle that intertwines with our life's purpose. It is complete with coworkers who are family or feel like family and sometimes camp even becomes a place we can call home. As the season begins to near, we maintain the state of standards for operation driven by Associate for Challenge Course Technology (ACCT) and Experiential Systems Inc (ESI). Our unique services offered at Lions Bear Lake Camp provide opportunities for recreation and interaction with nature regardless of ability! Activities offered at camp are universally accessible and adaptable to all managing conditions. On our challenge course "The Boat" element, in addition to our climbing tower with zipline are often highlights for many campers new or returning. Our team of facilitators overcome individual challenges and build their leadership skills through training and practice. They learn to use adaptive equipment to address specific needs that may come to assure participation with all managing conditions regardless of ability. In most cases, our campers do things they simply would not have the opportunity to experience otherwise. This type of exposure opens the door for personal growth and increased understanding for a better quality of life. For many, Camp is the experience of a lifetime. It takes a rigorous inspection to ensure that our equipment, climbing tower with zip line and challenge course are in good working order. We have a long-standing industry reputation as professionals providing specialized services to children and families. There are several action steps we take including internal inspections to ensure safety in our equipment, protocols and procedures. We highlight thorough documentation, extensive yearly training/recertification, and frequent practice of hard and soft skills learned to provide an overall adventure camp experience. It is through specialized training that our services are provided by qualified professionals who understand leading campers to overcome adversity builds character and confidence to do "hard things" outside of camp. The rewards are plenty! Camp allows one to experience a new sense of freedom, while giving much-needed respite for children, families and caretakers. The life-changing work from the entire team of camp staff translates into an abundance of joy, healing and long-lasting relationships. There is a real "magic" that breaks out here when camp is in session. It's in high hopes that we will continue to unleash that "magic" for years to come! Interested in becoming staff? A program like Lions Bear Lake Camp requires a few key components; passion, commitment and a desire to make a difference. Submit applications online at bearlakecamp.org. Hope to see you soon!!
